

Robotic Shoulder Replacement

We're too early!

Biomedical Engineering Letters (Oct, 2023) REVIEW ARTICLE Robot-assisted orthopedic surgeries around shoulder joint: where we are? Joon-Ryul Lim · Yong-Min Chun

“there is no published research on robotic arthroplasty for the shoulder joint”

*The first Robotic
Shoulder
Replacement
assistant received
clearance in
February 2024.*

*Successful
completion of the
first Robotic-
Assisted Shoulder
Replacement
Surgery, April 2024*
